About Missoula

18

A historic gem brimming with contemporary opportunity, 424 North Higgins is part of Missoula's rich downtown landscape. Located in a busy shopping district, the ground floor is occupied by a staple of Missoula's outdoor recreation community. The tenant is currently paying \$19.10 per square foot NNN through December 2023. The building also features a full commercial kitchen used by local ghost kitchen operators.

Named one of the nation's most liveable cities by Outside Magazine and the American Planning Association, Missoula saw extraordinary growth over the past decade. The downtown area welcomes thousands of visitors to nationally-

recognized events like the Missoula Marathon, River City Roots Festival, and dozens of concerts. Downtown is also home to several eateries featured on Food Network and in Food & Wine Magazine.

Positioned among some of Montana's fastest-growing businesses, 424 North Higgins holds limitless potential: offices, retail, housing, or other creative uses have the space to flourish. A secure basement could be used for tenant storage or renovated to produce additional revenue. Capture the opportunity to own a landmark in the historic downtown corridor.
